

2018-2019 PBIS STATE RECOGNITION ANNOUNCED!

The California PBIS Coalition is dedicated to the implementation of PBIS in our state. To recognize and celebrate school's efforts in supporting student success, the California PBIS Recognition Process is in place to identify schools that exemplify best practices in the implementation of PBIS as well as acknowledging their implementation commitment.

We are proud to announce that **128 schools** within our SCCOE TAC network have been awarded 2018 - 2019 California PBIS Coalition Recognition for their implementation of PBIS!

Schools receiving the Platinum award provided data to demonstrate to authorized external reviewers that they are implementing PBIS with fidelity across all three tiers of support AND that they are experiencing a positive trend in student outcome data (including the school climate indicator on the CA Dashboard).

Platinum award recipients within our region are:
